

1 Of course, that doesn't mean anything here, but it was
2 my understanding that there would be a vote on each
3 article which would require a majority of those that are
4 elected. That is what we found out on the floor of
5 the Maryland Senate.

6 THE PRESIDENT: Delegate Malkus, the Chair
7 has not indicated that there would not be.

8 DELEGATE MALKUS: I felt that you knew that
9 because you certainly sat in the gallery long enough
10 when we discussed this subject matter and I really
11 believe that we should have the right to vote on each
12 article with what the law says, and the law says
13 there shall be a majority of those in office, a majority
14 of 142 on each article. That was well-discussed and
15 well-debated.

16 I don't care what the Committee on Style
17 wants to say, but you know, and I know, that was
18 what the Legislature intended to do.

19 THE PRESIDENT: Again, the Chair says to
20 you, Delegate Malkus, that it has not indicated to
21 the contrary. I don't see the point of your statement.
